

SERIES: LEADING THROUGH

Episode 1: “Leading Through Uncertainty”

Now, more than ever, the world needs leaders.
How do you lead the way forward when you’ve entered uncharted territory?

QUESTIONS

NOTES

- 01**  Who have you seen leverage influence and authority well? Explain.
- 02**  Andy mentioned that leadership is a **temporary stewardship** in which we are **accountable** to those we lead. As you consider your personal sphere of influence, which of the three bolded words above do you find most challenging? Why?
- 03**  Based on your experiences or the experiences of others, how does personal success influence someone’s ability to lead well?
- 04**  How does your leadership change when you view it as temporary?
- 05**  In one word, how would you like those you lead to describe you?

BOTTOM LINE

*When we view our leadership as something we’re accountable for,
we will be less likely to leverage it for ourselves.*
